Any term, condition or warranty that might be incorporated into or apply to these Conditions of Sale are excluded to the maximum extent permissible by applicable law. It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding. Additionally a Purchaser must make his own enquiries and exercise his own judgement as to the value of a Lot.

Where a veterinary certificate accompanies the Lot, it must be dated within 14 days of the Sale, lodged in the Sales Office and read out by Goffs UK at the time of Sale. In no circumstances shall the contents of any veterinary certificate constitute a warranty condition or other contractual term, description or representation made by Goffs UK. If required by a Purchaser such Lot shall be subject to re-

examination by a member of The Panel, providing the Purchaser has notified the Sales Office within 60 minutes of purchase that a re-examination is required. Failure to request a re-examination under this Condition will prevent the Purchaser seeking cancellation of the sale for any conditions in 4.3 below. Where a veterinary certificate accompanies the Lot, the sale may be cancelled at the discretion of the purchaser, only in the event of a difference of opinion between the Panel and the Veterinary Certificate, provided notice of cancellation is made by the Purchaser to Goffs UK no later than 1 hour after the Purchaser was notified by Goffs UK of the Panel's decision.

 - (iii) the Certificate will be read out by Goffs UK at the time of Sale

shall be borne by the Purchaser
 (v) No Lot shall be permitted to leave Goffs UK Premises between the examination by The Panel and the time of sale

Where a Broodmare is sold with a Veterinary Certificate of Pregnancy, the Purchaser may request to have her re-examined for pregnancy by The Panel provided the Purchaser has notified Goffs UK within 60 minutes of purchase that a re-examination is required. If the Broodmare is found not to be as certified, the sale may be cancelled at the discretion of the Purchaser provided notice of cancellation is made by the Purchaser to Goffs UK no later than 1 hour after the Purchaser was notified by Goffs UK of The Panel's decision. The Purchaser shall in all cases be liable for the re-examination fee.
- (f) **With a Breeding Certificate** dated not earlier than 14 days prior to the Sale which must be lodged in the Sales' Office prior to the sale, and which will be read out by Goffs UK at the time of Sale. Fillies or broodmares which are not in foal and are offered for sale as Breeding Stock must be offered with a Breeding Certificate, except for two-year-old fillies, or broodmares that have foaled since the publication of the Catalogue and prior to the sale, where no warranty as to their suitability for breeding is given or

implied. Where a Broodmare or Filly is sold with a Breeding Certificate, the Purchaser may request to have her re-examined for suitability for breeding purposes only by The Panel provided the Purchaser has notified Goffs UK within 60 minutes of purchase that a re-examination is required. If the Broodmare or Filly is found not to be as certified, the sale may be cancelled at the discretion of the Purchaser provided notice of cancellation is made by the Purchaser to Goffs UK no later than 1 hour after the Purchaser was notified by Goffs UK of The Panel decision. The Purchaser shall in all cases be liable for the re-examination fee.

Immediately following Goffs UK being notified that an examination on behalf of a Purchaser is required, the Vendor must present the Lot to The Panel. In the event of the Vendor not making himself available, the Purchaser may elect to cancel the Sale or Goffs UK may commission an agent to present the Lot to The Panel, for which a charge of £20 will be deducted from the proceeds of sale. In the event of the Lot being taken for such examination by either the Purchaser, Goffs UK or their respective agents it nevertheless remains at the sole risk of the Vendor until the completion of the Re-examination, and the party taking the Lot shall not be responsible for the death, injury or any damage caused by the Lot or to the Lot while temporarily under its control.

In that event, the Purchaser may elect to return the Lot to the Vendor in accordance with Condition 5.2.10(a) below The Vendor and Purchaser acknowledge and accept that although an “A” and “B” sample will be taken from the Lot in accordance with Condition 5.2.6 regard shall not be had to any analysis of the “B” sample for the purpose of this Condition. Where a sample taken from the Lot in accordance with this Condition is damaged, lost or stolen after the Lot has left the designated holding area or is otherwise incapable of being satisfactorily analysed for the purpose of this Condition the Vendor and Purchaser hereby expressly agree that in such circumstances the contract of sale shall stand and the purchaser be bound to keep and pay the full purchase price for the Lot.

5.2.9 Goffs UK shall not be required to pay the Sale Price to the Vendor until the period during which the Purchaser may cancel the Sale in accordance with Condition 5.2.10(a) below has expired and such an election has not been made.

5.2.10(a) If it is found that the “A” sample contains any Bisphosphonates and/or Substances or Method Prohibited at all Times, the Purchaser may elect to return the Lot to the Vendor. Such an election must be notified to Goffs UK in writing by 5pm on the seventh calendar day after the

Purchaser was informed of the result by Goffs UK. Where a Purchaser elects to return a Lot in accordance with this Condition Goffs UK shall notify both parties that the contract of sale is cancelled and the Lot will be at the Vendor’s risk from such time that he is notified and the Vendor must arrange and pay for any transport, keep and any other costs incurred by the Purchaser in connection with this Lot.

For the avoidance of a doubt, in any case where Goffs UK has been given such notice the Lot is at the risk of the Vendor from that point.
- (c) If the Purchaser has elected to return the Lot to the Vendor in accordance with this Condition the Vendor Shall:
 - (i) pay Goffs UK on invoice a sum equivalent to the commission that would be payable under these Conditions of Sale had the contract of sale not been cancelled by the Purchaser.

acknowledge and agree that Goffs UK is entitled to provide to the BHA any sample taken from the Lot in accordance with this Condition for analysis under the sole and absolute authority and instruction of the BHA together with their details and understand and accept that the BHA may use any information obtained in connection with their analysis of the sample for the purpose of exercising its powers under the Rules of Racing as published by the BHA and as amended from time to time.

5.3 PROHIBITED SUBSTANCES (other than Anabolic Steroids and Bisphosphonates (see Condition 5.1))

- 5.3.1 This Condition stands alone and is separate and distinct from Condition 4 and applies to all Lots from yearlings (sold after 1st July) upwards with the exception of mares that have previously been covered by a stallion.
- 5.3.2 Where Prohibited Substances are referred to in a certificate signed by an independent veterinary surgeon and read out by Goffs UK at the time of the Sale the Condition will apply but the Lot shall not be returnable to the Vendor unless other Prohibited Substances than those certified and read out are present.
- 5.3.3 A Purchaser may ask for a blood sample to be taken from a Lot for the purpose of testing for Prohibited Substances when signing the Acknowledgement of Purchase Form in accordance with Condition 9.5. The Purchaser shall be responsible to Goffs UK for the costs and expenses of taking and testing the sample unless the said sample contains Prohibited Substances other than those certified and read out and the sale is cancelled under this Condition, in which case the Vendor shall be responsible for such costs and expenses. Failure to request a drug test under this Condition will be an absolute bar to the Purchaser returning the Lot under this Condition.
- 5.3.4 When a Purchaser makes a request under Condition 5.3.3 the Vendor shall immediately deliver the Lot to a designated holding area in accordance with Goffs UK's instructions where a member of The Panel will take a sample from the said Lot. If the Vendor fails to comply with these instructions the Sale may be cancelled at the discretion of the Purchaser.
- 5.3.5 Where a Purchaser instructs Goffs UK to take and test a blood sample the said Lot shall not be removed from the United Kingdom or Ireland and if they do so, the Purchaser shall be liable for the costs of returning the Lot back to the Vendor in the event of a Purchaser electing to return the Lot in accordance with a right to do so under this Condition.
- 5.3.6 If after one hour from the delivery of the Lot to the designated holding area a blood sample has not been taken from the said Lot (notwithstanding that The Panel has used such reasonable endeavours as are commensurate with the circumstances) the Sale may be cancelled at the Purchaser's discretion.

- 5.3.7 Where a blood sample is found to contain Prohibited Substances other than those certified and read out the Purchaser may elect to return the Lot to the Vendor providing such election is made to Goffs UK by 5pm on the seventh calendar day after the Purchaser was notified by Goffs UK of the result.
- 5.3.8 Where a Purchaser elects to return a Lot in accordance with this Condition, Goffs UK shall notify both parties that the Sale is cancelled, and the Lot will be at the Vendor's risk from such time that he is notified. The Vendor must arrange for the Lot to be collected, and pay for any such transport, and any other reasonable costs incurred by the Purchaser in connection with this Lot subject to Condition 5.3.5.

5.4 PIROPLASMOSIS

- 5.4.1 This Condition stands alone and is separate and distinct from Condition 4 and applies to any Lot described as a yearling (after 1st July of its yearling year) or older:
- 5.4.2 Where a Lot is described without qualification as positive for Piroplasmosis in a certificate signed by an independent qualified veterinary surgeon and read out by Goffs UK at the time of the Sale the Condition will apply but the Lot shall not be returnable to the Vendor. Where a Lot is not so described, the Lot shall be returnable to the Vendor in accordance with this Condition where Goffs UK decides in its absolute discretion that a blood sample taken from the said Lot in accordance with this Condition and tested for Piroplasmosis under OIE Protocol using a Piro IFAT test ("the Prescribed Test") contains the specified levels of either *Theileria equi* or *Babesia caballi*.
- 5.4.3 A list showing the specified levels for *Theileria equi* and *Babesia caballi* is available upon request made to Goffs UK and Purchasers and Vendors are advised to check the current specified levels before purchasing or entering a Lot for sale.
- 5.4.4 A blood sample will be taken from the Lot where the Purchaser instructs Goffs UK to do so immediately after purchase of the Lot by signing to this effect on the Acknowledgement of Purchase Form supplied by Goffs UK for the purpose of this Condition and to have the sample tested for the presence of Piroplasmosis. The Purchaser shall be responsible to Goffs UK for the costs and expenses of taking and testing the sample unless the said sample is found to be positive in accordance with Condition 5.4.2 in which event the Vendor shall be responsible for such costs and expenses. (For the avoidance of doubt, any sample not found to be negative shall be deemed to be positive). Failure to request a test for Piroplasmosis under this Condition will be an absolute bar to the Purchaser returning the Lot under this Condition.
- 5.4.5 When an instruction under Condition 5.4.4 is received the Vendor shall immediately deliver the Lot to a designated holding area in accordance with Goffs UK

instructions, where a member of The Panel will take a sample from the said Lot. If the Vendor fails to comply with these instructions the Sale may be cancelled at the discretion of the Purchaser.

5.4.8 The Purchaser expressly acknowledges that, although there are other methods of testing for Piroplasmis, a Lot is only returnable to the Vendor if it is decided by Goffs UK that the sample taken from a Lot and tested using the Prescribed Test contains the specified levels of either *Theileria equi* or *Babesia caballi*. The Purchaser further acknowledges that the presence of either *Theileria equi* or *Babesia caballi* in the sample at levels below the specified levels is not a ground for return of a Lot to the Vendor, in which instance the Purchaser shall be bound to keep and pay the full amount of the purchase price for the Lot.

5.4.9 Where a Purchaser instructs Goffs

UK to take and test a blood sample the said Lot shall not be removed from the United Kingdom or Ireland and if they do so, the Purchaser shall be liable for the costs of returning the Lot back to the Vendor in the event of a Purchaser electing to return the Lot in accordance with a right to do so under this Condition.

5.4.11 Where a Purchaser elects to return a Lot in accordance with this Condition Goffs UK shall notify both parties that the Contract of Sale is cancelled and the Lot will be at the Vendor's risk from such time that he is notified. The Vendor must arrange for the Lot to be collected, and pay for any such transport, and any other reasonable costs incurred by the Purchaser in connection with this Lot subject to Condition 5.4.9.

No sample of hair, blood, urine or other testable material from any Lot, other than those described in Condition 5 shall be used as reason for the return of any Lot.

6 ENGAGEMENTS

- 6.1 A Lot is sold with engagements as given in the Catalogue, or announced at the time of Sale. Goffs UK however, accept no responsibility for engagements given or omitted. It will be the sole responsibility of the Vendor to ensure that the relevant documentation is completed and lodged with the Authority in question, but of the Purchaser to cancel any race entry if a forfeit applies. A Declaration of Forfeit for UK engagements must be made to Weatherbys and for Irish engagements to Horse Racing Ireland.
- 6.2 In particular Goffs UK do not warrant that a Lot is eligible for participation in the Great British Bonus or any other breeders' scheme whether European or American notwithstanding that a statement to that effect or so implying may have been included in the Catalogue or made from the Rostrum.

7 PRIVATE SALES AND TRANSFERS

- 7.1 Any sale concluded on the day of the Sale or within seven calendar days between a Purchaser and a Vendor after the Lot has been unsold or bought in by the Vendor at the Sale shall be subject to the Goffs UK Conditions of Sale. Such transactions must be finalised in writing on a Private Sale Form signed by the Vendor, the Purchaser and an authorised representative of Goffs UK. For the avoidance of doubt, this includes any Sale conducted online. The terms of Condition 9 below will apply to the Purchaser.

8 PASSING OF RISK AND TITLE

- 8.1 The Lot will be at the Vendor's risk at all times until the fall of hammer (or time of sale if sold privately) when the risk shall pass to the Purchaser subject to 8.2 and 8.3 below.
- 8.2 Any Lot Sold Subject to Re-examination under the terms of 4.1 above shall be at the Vendor's risk for 60 minutes from the fall of the hammer or, if Re-examination is requested, until the completion of the Re-examination. Risk remains with the Vendor if the Lot fails the examination and passes to the Purchaser if/when the Lot passes.
- 8.3 Any Lot tested for Prohibited Substances and Methods, or Piroplasmosis under the terms of Condition 5 above shall remain at the Vendor's risk from the fall of the hammer until the sample has been taken from the Lot when risk passes to the Purchaser. If, a Purchaser elects to return a Lot to the Vendor in accordance with Condition 5, risk will pass back to the Vendor from the point at which the Purchaser's election is notified to Goffs UK.
- 8.4 Notwithstanding the passing of risk in this Condition or delivery

of the Lot to the Purchaser, the Vendor shall retain title to the Lot until the full purchase price has been paid to Goffs UK.

- 8.5 Where Goffs UK have paid out the Vendor in accordance with 3.8 above, title of the Lot will vest in Goffs UK on the same terms as 8.4 above.

9. PURCHASERS

- 9.1 All purchases are subject to 6% buyers' commission as outlined in Condition 2.1.3.
- 9.2 Goffs UK strongly recommend that Purchasers should attend the Sale in person and Purchasers are strongly advised to inspect each Lot prior to purchase. It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding. Prospective Purchasers may use a veterinary surgeon of their own choice to check or inspect the condition of any Lot prior to sale provided the consent of the Vendor is obtained in advance, that the Vendor expressly consents to the form of inspection to take place and it is understood by prospective Purchasers that such consent is entirely at the Vendor's own discretion.
- 9.3 All Lots are sold subject to these Goffs UK Conditions of Sale and are subject to any announcements that may be made by the auctioneer. A Vendor may call upon Goffs UK to amend the Catalogue description at the Sale and it is the Purchaser's responsibility to ensure he hears any such announcement made by the auctioneer as a consequence. The information on the Goffs UK notice board, website and announcement boards in the Sales ring is for guidance only and Goffs UK are not liable for any error or omission from such information.
- 9.4 All certificates referred to in the Catalogue will be available for inspection in the Sales Office prior to the Sale.
- 9.5 Immediately after the purchase of each Lot, the Purchaser must sign the Acknowledgement of Purchase Form confirming the sales details together with his name, address and other information as required by Goffs UK.
- 9.6 Subject to 9.9 below, payment must be made in pounds sterling by the Purchaser for each Lot on the day of the Sale and the Lot must be removed by the Purchaser by the close of each day's sale. Prior to the Sale Goffs UK may agree to other payment terms at their discretion and may allow the Purchaser to remove the Lot before full payment has been received. In the event that payment is not received under the agreed terms, Goffs UK will endeavour to collect the debt by whatever means are deemed appropriate. Goffs UK will not accept payments in cash for any Lot.
- 9.7 No Lot will be raced until it has been paid for in full.
- 9.8 Where a Purchaser bids or buys on behalf of another, the Purchaser must disclose the name and address of his principal when required by Goffs UK and both

the Purchaser and his principal shall be jointly and severally liable under these Conditions.

- 9.9 Where the Purchaser notifies Goffs UK that a Lot has been bought on behalf of another after the Sale and asks Goffs UK to invoice that person (the “Nominee”), Goffs UK (at its absolute discretion) may agree to do so on the basis that the Purchaser and the Nominee will be jointly and severally liable to pay the Purchase Price. The Purchaser’s payment obligations in respect of the relevant Lot will only be discharged in the event that the Nominee has paid the whole of the Purchase Price. However, where the Nominee pays part of the sum due but the remainder is unpaid, Goffs UK claim shall be limited to the unpaid sum.
- 9.10 Where a Vendor and a Purchaser agree to terms not covered by the Conditions of Sale, a copy of that agreement must be lodged in writing in the Sales Office before the Sale, and approved by Goffs UK. If no such copy of the agreement is lodged, and any dispute arises as a result of this agreement between the Vendor and the Purchaser, Goffs UK will demand that the Purchase Price is paid in full in accordance with Condition 9.6 unless the Vendor has notified Goffs UK in writing that the sale has been cancelled, in which case Condition 2.1.4 shall apply.
- 9.11 It is the sole responsibility of the Purchaser to ascertain whether the Lot is eligible for point to pointing

within the meaning of the rules laid down by the BHA.
