

**VETERINARY DECLARATION**  
**To be printed on practice headed paper**

**90 DAY HEALTH DECLARATION**

**Sale and lot Number**  
**Horses Name/ Breeding**

**To whom it may concern:**

The above animals have been kept at..... (insert name of premises) and these premises are regularly attended by this Practice. These premises are not subject to any notifiable disease restrictions and to the best of my knowledge no cases of infectious or contagious disease have been reported to the Practice during the 90 days prior to this declaration.

The above animal has not to my knowledge been in contact with equidae showing clinical signs of African horse sickness, Dourine, Glanders Equine encephalomyelitis, Equine infectious anaemia, Vesicular stomatitis, Rabies, Anthrax Borna disease, Contagious equine metritis, Equine viral arteritis, Epizootic lymphangitis, Hendra virus infection or Surra during the 90 days prior to this declaration.

*And*

For 30 days prior to the date of this declaration the above animal has not come into direct contact with other Equidae that do not meet the same health standard as the animal certified in the declaration. I have attended the above premises at least twice in this 30-day period to ensure that the isolation has been maintained.
