Welcome to Goffs UK

Looking for a Glorious Goodwood runner?
Where can you purchase a horse and have it run under your name, in your colours, at a world-class meeting the very next day?

The Goffs Group’s boutique sales are offering exactly that and this unique, world-class service will see another exciting opportunity added to the calendar in 2018; the Goffs UK Goodwood Sale at the ‘Glorious’ Qatar Goodwood Festival.

To be held in the winners enclosure after racing on the £1 million Qatar Sussex Stakes Day, the inaugural Goffs UK Goodwood Sale will offer a highly attractive line-up of top-class horses, some of which are carrying entries for the Goodwood Meeting. The sale builds on the foundations set by the Goffs Group’s growing portfolio of boutique sales; the Aintree Sale at the Randox Health Grand National Festival, The Punchestown Sale at the Punchestown Festival, the Champions Sale on Irish Champions Weekend, and the world renowned Goffs London Sale in association with QIPCO, held on the eve of Royal Ascot.

The catalogue for this sale holds global appeal with Horses-in-Training entries that will cater for the domestic market, for Hong Kong owners who have recently been issued permits for the coming season and also for those looking for horses to target the major Australasian and Middle Eastern Festivals. It will also cater for those looking for high-end breeding stock with three mares and two race fillies to be offered as well as a lifetime breeding right in the leading young sire Showcasing.

Visit us at Goodwood Racecourse and see what we have to offer. Your next Festival runner might be closer than you think.

Something special.

Our COMMITMENT to you

Since 1866 Goffs has worked to the highest standards in every area of the thoroughbred auction business. The same ethos applies to every Goffs sale at six locations in Ireland and the UK.

The modern day Goffs continues the common thread of industry, innovation and integrity that has been central to the company since its inception over 150 years ago.

Every sale at Goffs is conducted with transparency, honesty and integrity, backed up by a number of measures to ensure maximum protection for vendors and purchasers alike.

• The Goffs Conditions of Sale in the front of each catalogue are the “laws” of our sales and are designed to protect the rights of both vendor and purchaser whilst ensuring Goffs auctions are fair to both parties. They set out the legal basis under which all Goffs auctions are conducted.

• Our Advice To Buyers offers further guidance to potential purchasers, especially those less experienced at thoroughbred auctions.

• The Bloodstock Industry Code of Practice sets out what is, and what is not, acceptable behaviour from people dealing in bloodstock.

• All sales results are listed on the Goffs website – www.goffsuk.com – and are covered on a lot by lot basis by the racing press (Racing Post, Irish Field, TDN, EBN, etc.).

• Goffs are founder members of the Society of International Thoroughbred Auctioneers (SITA), an association of the world’s leading Bloodstock Auction Houses who strive to work to consistently high standards.

If you have issues, concerns or questions please contact any of the Goffs team at any time. Mobile numbers are listed in each catalogue and on our website, whilst we are available on sales days by contacting Goffs Reception or the Sales Office.

INDUSTRY · INNOVATION · INTEGRITY
Advice to Buyers

Goffs UK advise potential purchasers to read the Goffs UK Conditions of Sale prior to bidding. These are the “laws” of our sales and are designed to protect the rights of both Vendor and Purchaser whilst ensuring that Goffs UK auctions are fair to both parties. They set out the legal basis under which Goffs UK auctions are conducted.

In addition to the Conditions of Sale, Goffs UK offer the following advice:

- Goffs UK strongly recommend that purchasers use a professional adviser.
- Goffs UK strongly recommend that purchasers inspect the horses before bidding.
- There is a tradition at bloodstock auctions worldwide for a Vendor to offer ‘luck money’ to a Purchaser after the sale. This is solely a voluntary matter for the Vendor and is not governed by the Conditions of Sale. Under no circumstances should Purchasers enter into arrangements of this nature prior to the sale, as such action may well be illegal. If a post sale agreement should be made, it should be disclosed to all parties involved in the sale, including any owners not present on the day of sale.
- Auction is a Free Public Market, Vendors and Purchasers should be free to conduct their business at Goffs UK without interference or intimidation in any form by third parties. A Vendor or Purchaser should be free to do entirely as he wishes in respect of selling or purchasing a horse at our Sales and any Vendor or Purchaser who experiences such interference, coercion or intimidation in the course of his business should immediately inform a Goffs Executive Director.

Bloodstock Industry Code of Practice

Goffs UK also assisted in the compilation of the Bloodstock Industry Code of Practice which follows the Conditions of Sale. The Code sets out what is, and what is not, acceptable behaviour from people dealing in bloodstock.

Names of Horses

Purchasers of horses with names are reminded that although those names may be registered with Weatherbys under British Rules of Racing, the names have to be re-registered with Horse Racing Ireland before such horses can run in Ireland. There may be special requirements for horses foaled in countries other than Ireland and The United Kingdom and purchasers should acquaint themselves with any such special conditions.

Passports

Passports will be forwarded to Purchasers as soon as is practical following the Sale or may be collected by the Purchaser from the Sales Office on the day of Sale.

5.3.9 Goffs UK shall exercise its absolute discretion in making a decision under Condition 5.3.

5.3.10 Where a sample is found to be positive the Purchaser may elect to return the Lot to the Vendor providing such election is made to Goffs UK by 5pm on the seventh calendar day after the Purchaser was notified by Goffs UK of the result.

5.3.11 Where a Purchaser elects to return a Lot in accordance with this Condition Goffs UK shall notify both parties that the Contract of Sale is cancelled and the Lot will be at the Vendor’s risk from such time that he is notified. The Vendor must arrange for the Lot to be collected, and pay for any such transport, and any other reasonable costs incurred by the Purchaser in connection with this Lot subject to Condition 5.3.9.

5.4 FURTHER SAMPLING

5.4.1 Nobody may remove a sample of hair, blood or any other testable material from any Lot while on Goffs UK Premises, without specific permission from the Vendor. No sample of hair, blood, urine or other testable material from any Lot, other than those described in Condition 5 shall be used as reason for the return of any Lot.

5.3.12 Where a Purchaser instructs Goffs UK to take and test a blood sample the said Lot shall not be removed from the United Kingdom or Ireland and if they do so, the Purchaser shall be liable for the costs of returning the Lot back to the Vendor in the event of a Purchaser instructs Goffs UK to take and test a blood sample the said Lot shall be returnable to the Vendor in accordance with this Condition.

5.3.13 Where a Purchaser elects to return a Lot subject to Condition 5.3.9.

6 ENGAGEMENTS

6.1 A Lot is sold with engagements as given in the Catalogue, or announced at the time of Sale. Goffs UK however, accept no responsibility for engagements given or omitted. It will be the
sole responsibility of the Vendor to ensure that the relevant documentation is completed and lodged with the Authority in question, but of the Purchaser to cancel any race entry if a forfeit applies. A Declaration of Forfeit for UK engagements must be made to Weatherbys and for Irish engagements to Horse Racing Ireland.

6.2 In particular Goffs UK do not warrant that a Lot is eligible for participation in the Plus 10 or any other breeders’ scheme whether European or American notwithstanding that a statement to that effect or so implying may have been included in the Catalogue or made from the Rostrum.

7 PRIVATE SALES AND TRANSFERS

7.1 Any sale concluded on the day of the Sale or within seven calendar days between a Purchaser and a Vendor after the Lot has been unsold or bought in by the Vendor at the Sale shall be subject to the Goffs UK Conditions of Sale. Such transactions must be finalised in writing on a Private Sale Form signed by the Vendor, the Purchaser and an authorised representative of Goffs UK. For the avoidance of doubt, this includes any Sale conducted online. The terms of Condition 9 below will apply to the New Purchaser.

7.2 Where Goffs UK accepts the transfer of a Lot from the Purchaser to a third party (the New Purchaser), the appropriate Private Sale Form must be completed in the Sales Office. The terms of Condition 9 below will apply to the New Purchaser.

8 PASSING OF RISK AND TITLE

8.1 The Lot will be at the Vendor’s risk at all times until the fall of hammer (or time of sale if sold privately) when the risk shall pass to the Purchaser subject to 8.2 below.

8.2 Any Lot tested for Prohibited Substances and Piroplasmosis under the terms of Condition 5 above shall remain at the Vendor’s risk from the fall of the hammer until the sample has been taken from the Lot when risk passes to the Purchaser. If the sample proves to be positive for Prohibited Substances or Piroplasmosis, risk will pass back to the Vendor when the Vendor is notified.

8.3 Notwithstanding the passing of risk in this Condition or delivery of the Lot to the Purchaser, the Vendor shall retain title to the Lot until the full purchase price has been paid to Goffs UK.

8.4 Where Goffs UK have paid out the Vendor in accordance with 3.8 above, title of the Lot will vest in Goffs UK on the same terms as 8.4 above.

9 PURCHASERS

9.1 All purchases are subject to 6% buyers’ commission as outlined in Condition 2.1.3.

9.2 Goffs UK strongly recommend that Purchasers should attend the Sale in person and Purchasers are strongly advised to inspect each Lot prior to purchase. It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding. Prospective Purchasers may use a veterinary surgeon of their own choice to check or inspect the condition of any Lot prior to sale provided the consent of the Vendor is obtained in advance, that the Vendor expressly consents to the form of inspection to take place and it is understood by prospective Purchasers that such consent is entirely at the Vendor’s own discretion.

9.3 All Lots are sold subject to these Goffs UK Conditions of Sale and are subject to any announcements that may be made by the auctioneer. A Vendor may call upon Goffs UK to amend the Catalogue description at the Sale and it is the Purchaser’s responsibility to ensure he hears any such announcement made by the auctioneer as a consequence. The information on the Goffs UK notice board, website and announcement boards in the Sales ring is for guidance only and Goffs UK are not liable for any error or omission from such information.

9.4 All certificates referred to in the Catalogue will be available for inspection in the Sales Office prior to the Sale.

9.5 Immediately after the purchase of each Lot, the Purchaser must sign the Acknowledgement of Purchase Form confirming the sales details together with his name, address and other information as required by Goffs UK.

9.6 Subject to 9.9 below, payment must be made in pounds sterling by the Purchaser for each Lot on the day of the Sale and the Lot must be removed by the Purchaser by the close of each day’s sale. Prior to the Sale Goffs UK may agree to other payment terms at their discretion and may allow the Purchaser to remove the Lot before full payment has been received. In the event that payment is not received under the agreed terms, Goffs UK will endeavour to collect the debt by whatever means are deemed appropriate.

9.7 No Lot will be raced until it has been paid for in full.

9.8 Where a Purchaser bids or buys on behalf of another, the Purchaser must disclose the name and address of his principal when required by Goffs UK and both the Purchaser and his principal shall be jointly and severally liable under these Conditions.

9.9 Where the Purchaser notifies Goffs UK that a Lot has been
bought on behalf of another after the Sale and asks Goffs UK to invoice that person (the “Nominee”), Goffs UK (at its absolute discretion) may agree to do so on the basis that the Purchaser and the Nominee will be jointly and severally liable to pay the Purchase Price. The Purchaser’s payment obligations in respect of the relevant Lot will only be discharged in the event that the Nominee has paid the whole of the Purchase Price. However, where the Nominee pays part of the sum due but the remainder is unpaid, Goffs UK claim shall be limited to the unpaid sum.

9.10 Where a Vendor and a Purchaser agree to terms not covered by the Conditions of Sale, a copy of that agreement must be lodged in writing in the Sales Office before the Sale, and approved by Goffs UK. If no such copy of the agreement is lodged, and any dispute arises as a result of this agreement between the Vendor and the Purchaser, Goffs UK will demand that the Purchase Price is paid in full in accordance with Condition 9.6 unless the Vendor has notified Goffs UK in writing that the sale has been cancelled.

10 GOFFS UK’s RIGHTS

10.1 Goffs UK reserve the right to exclude or remove any person or animal from their premises without giving any reason.

10.2 Goffs UK, as Agents for the Vendors, reserve the following rights, viz:

10.3 Goffs UK do not make any representation whatsoever express or implied as to the identity of the Owner or Owners of any Lot at the time of entry, time of sale or at any other time. In the event of any dispute the Purchaser’s remedy, if any, shall be against the Vendor and the Vendor’s remedy shall be against the Purchaser, and not against Goffs UK who act as Agents between Vendor and Purchaser and shall not be liable as a Party in any action or dispute between them.

10.4 Goffs UK reserve the right to charge interest on unpaid accounts at 1.5% per month on all accounts which are unpaid 21 days after the last date of the Sale.

(a) Goffs UK shall be entitled to retain the Lot, and shall have a lien over the Lot and all documents relating to it for all expenses, including freight, incurred by them or any Agent of Goffs UK during such period of retention. Such lien may be exercised in respect of any other sum due by the Purchaser to Goffs UK.

(b) Goffs UK shall also be entitled to exercise the said lien over any documents in their possession relating to any other Lot or Lots owned by the Purchaser. A Lot shall not be delivered to the Purchaser until the expenses referred to above have been paid, in addition to the Purchase Price.

(d) Nothing in these Conditions shall preclude Goffs UK and/or the Vendor of a Lot from pursuing all legal remedies available to them for the recovering of the Purchase Price from a defaulting Purchaser and all expenses and damages and commission lost resulting from such default.

10.6 Goffs UK will not release any Lot from the Sales Complex until a written release form in the form of a pass-out has been issued by Goffs UK.

10.7 Goffs UK may at any time, without notice, set off any liability of a Debtor (including but not limited to the outstanding purchase price of any Lot) against any liability of any Associated Company to the Debtor (whether any such liability is present or future, actual or contingent, liquidated or unliquidated and irrespective of the currency of its denomination) and Goffs UK may for such purpose convert or exchange any currency.

10.8 Any exercise by Goffs UK of its rights under Condition 10.7 shall be without prejudice to any other rights or remedies available to Goffs UK under these Conditions or otherwise.

The Bloodstock Industry Code of Practice (Appendix 2)

Introduction

The Code of Practice sets out the principles which apply to all sales of bloodstock and sales of stallion shares and nominations, be they private sales or sales at public auction. The intention is to ensure that sales of bloodstock in Britain not only comply with the law, but operate to the highest standards of integrity and transparency, and safeguard the interests of vendors, consignors, bloodstock agents, owners, trainers and the sales companies.

Definitions

- “Agent” means any trainer, consignor, bloodstock agent, racing or stud manager or other person or entity who represents a Principal in the sale or purchase of bloodstock, stallion shares and nominations, whether the Agent is paid by way of retainer, commission or other forms of remuneration, or has ongoing financial arrangements (for example the payment of management or training fees), or not.
- “Principal” means a person or entity who appoints an Agent to act as agent on his behalf in the sale or purchase of bloodstock, stallion shares and nominations as in the definition above.
- For clarification, words importing the feminine shall include the feminine.

Code

1. An Agent owes a duty to his Principal to act at all times in accordance with his Principal’s best interests.
2. An Agent shall not place himself in a position where personal interests conflict with the duty to his Principal. In particular, an Agent shall not use his position to benefit from a secret payment or secret profit, which means any payment or benefit in kind received by an Agent that is not disclosed to his Principal.
3. When an Agent acts as a vendor or part-vendor and sells or intends to sell any horse in which he has an interest to a Principal, or intended Principal, the Agent must disclose to his Principal, before completion, the full extent of that ownership or interest and the benefit to be derived from that transaction.
4. If an Agent acts for more than one Principal in a transaction (which might be both the vendor and purchaser), the Agent can only do so if he has first disclosed this fact, before completion, to all his Principals, and obtained their consent.
5. An Agent must notify his Principal, wherever possible in advance, when a conflict of interest could arise, such as transactions involving third parties with whom he has a retainer, transactions where he is aware he will benefit from a third party, or transactions concerning horses which he has previously purchased or been involved with.
6. An Agent shall disclose to his Principal and, if required, account to his Principal for any Luck Money paid to him by or on behalf of a vendor.
“Luck Money” means any financial payment or payment in kind made by or on behalf of a vendor to a Purchaser or his Agent, after the sale of a horse has been concluded. The practice of giving and receiving Luck Money shall be entirely voluntary, transparent and should be disclosed to all appropriate parties by the recipient. A vendor has no obligation whatsoever to pay Luck Money and the non-payment of such should not prejudice any further business activity.

7. If an Agent receives an offer to purchase a horse he must relay that offer in its entirety to his Principal and respond in accordance with the Principal’s instructions.

8. A vendor must not offer any secret payment or secret profit to any person whom he believes to be an Agent acting for a prospective purchaser.

Dispute Resolution

9. Any dispute arising out of an alleged breach of the Code of Practice should be reported by a complainant to one of the following trade bodies or to the appropriate Sale Company in the first instance:

- Federation of Bloodstock Agents
  Geoffrey Howson (01451 860428)
- National Trainers Federation
  Rupert Arnold (01488 71719)
- Racehorse Owners Association
  Dena Arstall (020 7408 0903)
- Thoroughbred Breeders Association
  Claire Sheppard (01638 661321)
- Goffs UK
  Tony Williams (01450 372222)
- Tattersalls
  Gavin Davies (01638 665931)

A complaint shall provide written evidence of the alleged breach of the Code to the relevant trade body or the Sale Company in support of the allegation. The Sale Company or the trade body will conduct its own investigation and may seek to mediate, or may advise the complainant of their right to pursue the complaint through the courts.

The commencement of a mediation will not prevent the parties commencing court proceedings.

Disciplinary Proceedings under the Rules of Racing

10. If the British Horseracing Authority is satisfied there has been a breach of this Code of Practice, it is likely to consider this to be contrary to the integrity, proper conduct or good reputation of horse racing, and the persons involved, whether bound by the Rules of Racing, or not, may be banned from British racecourses and other licensed premises and will also not be permitted to conduct business with licensed individuals.

This Code of Practice has been drawn up & published by the following organisations:

The British Horseracing Authority,
Goffs UK Ltd, Federation of Bloodstock Agents, National Trainers Federation,
Racehorse Owners Association, Tattersalls Ltd, Thoroughbred Breeders Association and endorsed by the Society of International Thoroughbred Auctioneers.

ICSC Criteria for Pedigree Compilation (Appendix 3)

The following criteria have been agreed in principle by those Sales Companies represented on the European Sub-Committee of the International Cataloguing Standards Committee.

1. Pedigrees may not extend beyond the fifth dam. Only black-type performers and their links may be mentioned under the fifth dam.

2. Certain relationships to the subject animal are designated ‘key positions’. Key positions comprise:
   - the subject animal him/herself
   - the first dam of the subject animal and any of her descendants

Only in the case of animals in key positions may the race names of non-black type races be carried. Only in the case of animals in key positions may a 4th placing in a Group/Graded race be mentioned (NB Such a placing will not confer black type, except as set out on page vi of the ICSC Booklet 2006).

3. Jump Races appearing in Part IV of the ICSC Booklet may confer black type, but only if the type is italicised to differentiate it clearly from the black type given to flat race performances.

4. No reference to relationships may be made other than in the case of the Full (i.e. ‘own’) brother or sister. (That is to say, references such as ‘three-parts sister to’ and ‘bred on the same lines as’ are disallowed). Except in the case of the subject animal, the horse to whom the animal in question is related must be a black-type horse.

5. ‘Excellence narrative’ must be restricted to the top horse in any qualifying category. Thus, while a Sales Company may elect to use any one of the following terms – ‘Champion’, ‘Top-rated’ or ‘High-weighted’ – such terms as ‘2nd Top-rated’ may not be used. Further, excellence narrative may only be applied to horses which have been officially rated top within the following categories or combination of categories:
   - Continent
   - Country
   - Sex
   - Age
   - Distance range

6. Performances outside the home country of the catalogue in question will be indicated as such, either by citing the country(ies) by name or by use of the word ‘abroad’.

This catalogue has been compiled in accordance with the criteria agreed by the European Cataloguing Standards Committee, I.C.S.C.

In these instances, provided that the individuals involved are already registered as an Owner with BHA or their owner registration status has been verified with a RRA, then Weatherbys will endeavour to process the new registration in time for the relevant race. 2.1.2 with the corresponding RRA of the Owner.

2.2 Foreign trained horse: the BHA will temporarily waive the requirement of paragraph 6 of Schedule (B)2 of the Rules, so the existing Trainer can run a horse purchased by a BHA Registered Owner, provided that it remains in the care or control of that Trainer and meets all other requirements to run.

4. Colours

4.1. The horse will be able to run in the new ownership’s colours providing these colours are registered with the BHA or another RRA.

4.2. There will be a facility available to register a set of colours on the night with Weatherbys. NB. Colours registrations must conform with the BHA’s colour registration guidelines.

4.3. The Trainer and Owner must ensure the correct registered colours are sent to the racecourse to be carried by the jockey in the race in question.

5. New Owner/Trainer liabilities

5.1. In purchasing the horse, the new Owner/Trainer assumes full responsibility for the horse. In particular, Goffs UK must make three points clear to all potential buyers via the auctioneer:

5.1.1. If the horse is moved to a new trainer, the new trainer takes full responsibility for that horse under the Rules of Racing, including the results of any prohibited substance testing. (For instance, if the horse was to fail a race day test, that would be the responsibility of the new trainer).

5.1.2. The new owner takes on the full liability for any costs incurred after purchase (including confirmations and supplementary entry fees that are charged after the race).

5.1.3. Normal BHA charges apply as set out in Schedule (A)1 of the Rules of Racing, which the new owner will be liable for.

6. Process

6.1. Goffs UK will inform Weatherbys if/when any horses with entries at the Glorious Qatar Goodwood Festival are added to the Sale.
Transfer of Ownership

6.2. To assist in the swift processing of the Ownership transfer after purchase, Weatherbys, BHA and Goffs UK will work closely together with regards to the external communication and operational delivery of this arrangement.

6.3 Weatherbys will ensure that the relevant Transfer of Engagement hardcopy forms are provided for use at the Sale; Goffs UK will provide internet access so that the New Racing Administration System (“NRAS”) can be used to complete all other administration.

6.4. The Goffs UK team will arrange for the Registration processes and any Transfer of Engagement forms to be completed by the purchaser immediately after the Sale, should be emailed to Weatherbys at ownershipdesk@weatherbys.co.uk, other applications should be submitted online via NRAS.

6.5. The Goffs UK team will arrange for the new owner to contact Weatherbys directly on +44 (0)1933 304808 immediately after their purchase. The Weatherbys team will be required to confirm:

6.5.1. purchaser’s Owner Registration;
6.5.2. Transfer of Engagement;
6.5.3. Trainer of the horse;
6.5.4. Colours registration (Does the owner have registered colours? Are the colours registered overseas);
6.5.5. Any other details required by Weatherbys/BHA.

7. BHA Rules of Racing
This agreement is without fettering to all other Rules of Racing, as they apply from time to time.

8. Cost
There is an estimated cost of £300 (+ VAT) for the services required to deliver this arrangement, (based on 6 hours additional work). However should Weatherbys encounter any unanticipated problems, additional charges could be incurred at a rate of £50 (+ VAT) per hour. To be invoiced by Weatherbys following the Sale.
