

Advice to Buyers

Goffs UK advise potential purchasers to read the Goffs UK Conditions of Sale on pages 21-42 before bidding. These are the "laws" of our sales and are designed to protect the rights of both Vendor and Purchaser whilst ensuring that Goffs UK auctions are fair to both parties. They set out the legal basis under which Goffs UK auctions are conducted.

In addition to the Conditions of Sale, Goffs UK offer the following advice:

- Goffs UK strongly recommend that purchasers use a professional adviser.
- Goffs UK strongly recommend that purchasers inspect the horses before bidding.
- There is a tradition at bloodstock auctions worldwide for a Vendor to offer 'luck money' to a Purchaser after the sale. This is solely a voluntary matter for the Vendor and is not governed by the Conditions of Sale. Under no circumstances should Purchasers enter into arrangements of this nature prior to the sale, as such action may well be illegal. If a post sale agreement should be made, it should be disclosed to all parties involved in the sale, including any owners not present on the day of sale.
- Auction is a Free Public Market, Vendors and Purchasers should be free to conduct their business at Goffs UK without interference or intimidation in any form by third parties. A Vendor or Purchaser should be free to do entirely as he wishes in respect of selling or purchasing a horse at our Sales and any Vendor or Purchaser who experiences such interference,

coercion or intimidation in the course of his business should immediately inform a Goffs Executive Director.

Bloodstock Industry Code of Practice

Goffs UK also assisted in the compilation of the **Bloodstock Industry Code of Practice** which follows the Conditions of Sale. The Code sets out what is, and what is not, acceptable behaviour from people dealing in bloodstock.

Names of Horses

Purchasers of horses with names are reminded that although those names may be registered with Weatherbys under British Rules of Racing, the names have to be re-registered with Horse Racing Ireland before such horses can run in Ireland. There may be special requirements for horses foaled in countries other than Ireland and The United Kingdom and purchasers should acquaint themselves with any such special conditions.

Passports

Passports will be forwarded to Purchasers as soon as is practical following the Sale or may be collected by the Purchaser from the Sales Office on the day of Sale.

- 4.1 All Lots are sold as they stand (see 4.1(a) below) unless "Basis of Sale" on the catalogue page includes options 4.1(b) to 4.1(f) listed below. There is no term implied in

any sale that any Lot is of merchantable quality or is fit for training or any particular purpose. Any term, condition or warranty that might be incorporated into or apply to these Conditions of Sale are excluded to the maximum extent permissible by applicable law. It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding. Additionally a Purchaser must make his own enquiries and exercise his own judgement as to the value of a Lot.

- (a) **As it stands** (without a veterinary certificate). If a Lot is to be sold in this way, no veterinary certificate may be displayed prior to, or read out at, the Sale.
- (b) **Subject to Re-examination** whether with or without a formal veterinary certificate signed by an independent veterinary surgeon (not the Owner, Trainer and/or Vendor). Where a veterinary certificate accompanies the Lot, it must be dated within 14 days of the Sale, lodged in the Sales Office and read out by Goffs UK at the Sale. In no circumstances shall the contents of any veterinary certificate constitute a warranty condition or other contractual term, description or representation made by Goffs UK. In both cases, the Re-examination procedure in 4.3 will be employed.
- (c) **Subject to Re-examination of Wind Only.** The Re-examination procedure in 4.2 and 4.3 will be employed. For the purpose of this Condition no other rights of Re-examination will apply.

- (i) The Lot shall be examined prior to the Sale by The Panel
 - (ii) The Panel's certificate shall be deemed to be an expression of opinion by a duly qualified veterinary surgeon and shall not constitute a warranty
 - (iii) the Certificate will be read out by Goffs UK at the time of Sale
 - (iv) the fee for the re-examination shall be borne by the Purchaser
 - (v) No Lot shall be permitted to leave Goffs UK Premises between the re-examination by The Panel and the time of sale
- (e) **With a Pregnancy Certificate** dated not earlier than 14 days prior to the Sale which must be lodged in the Sales' Office by the Vendor prior to the Sale, and which will be read out by Goffs UK at the time of Sale. Where a Broodmare is sold with a Veterinary Certificate of Pregnancy, the Purchaser may request to have her re-examined for pregnancy by The Panel provided the Purchaser has notified Goffs UK within 60 minutes of purchase that a re-examination is required. If the Broodmare is found not to be as certified, the sale may be cancelled at the discretion of the Purchaser provided notice of cancellation is made by the Purchaser to Goffs UK no later than 1 hour after the Purchaser was notified by Goffs UK of The Panel's decision. The

Purchaser shall in all cases be liable for the re-examination fee.

- (f) **With a Breeding Certificate** dated not earlier than 14 days prior to the Sale which must be lodged in the Sales' Office prior to the sale, and which will be read out by Goffs UK at the time of Sale. Fillies or broodmares which are not in foal and which are offered for sale as Breeding Stock must be offered with a Breeding Certificate, except for two-year-old fillies, or broodmares that have foaled since the publication of the Catalogue and prior to the sale, where no warranty as to their suitability for breeding is given or implied. Where a Broodmare or Filly is sold with a Breeding Certificate, the Purchaser may request to have her re-examined for suitability for breeding purposes only by The Panel provided the Purchaser has notified Goffs UK within 60 minutes of purchase that a re-examination is required. If the Broodmare or Filly is found not to be as certified, the sale may be cancelled at the discretion of the Purchaser provided notice of cancellation is made by the Purchaser to Goffs UK no later than 1 hour after the Purchaser was notified by Goffs UK of The Panel decision. The Purchaser shall in all cases be liable for the re-examination fee.

Immediately following Goffs UK being notified that an examination on behalf of a Purchaser is required, the Vendor must present the Lot to The Panel. In the event of the Vendor not making himself

available, the Purchaser may elect to cancel the Sale or Goffs UK may commission an agent to present the Lot to The Panel, for which a charge of £20 will be deducted from the proceeds of sale. In the event of the Lot being taken for such examination by either the Purchaser, Goffs UK or their respective agents it nevertheless remains at the sole risk of the Vendor until the completion of the Re-examination, and the party taking the Lot shall not be responsible for the death, injury or any damage caused by the Lot or to the Lot while temporarily under its control.

The decision of The Panel shall be final and binding between the Vendor and Purchaser.
- 4.3.2 The Sale may be cancelled at the discretion of the Purchaser if The Panel find the following conditions under each category:

Where a Lot is not so described, the Lot shall be returnable to the Vendor in accordance with this Condition where Goffs UK decides in its absolute discretion that a blood sample taken from the said Lot in accordance with this Condition and tested in accordance with the Böse test for Piroplasmosis under OIE Protocol using a Piro IFAT test ("the Prescribed Test") contains the specified levels of either *Theileria equi* or *Babesia caballi*.

The Purchaser further acknowledges that the presence of either *Theileria equi* or *Babesia caballi* in the sample at levels below the specified levels is not a ground for return of a Lot to the Vendor, in which instance the Purchaser shall be bound to keep and pay the full amount of the purchase price for the Lot.
- 5.2.9 Where a Purchaser instructs Goffs UK to take and test a blood sample the said Lot shall not be removed from the United Kingdom or Ireland and if they do so, the Purchaser shall be liable for the costs of returning the Lot back to the Vendor in the event of a Purchaser electing to return the Lot in accordance with a right to do so under this Condition.

Where a Lot is not so described, the Lot shall be returnable to the Vendor in accordance with this Condition where Goffs UK decides in its absolute discretion that a blood sample taken from the said Lot in accordance with this Condition and tested in accordance with the Böse test for Piroplasmosis under OIE Protocol using a Piro IFAT test ("the Prescribed Test") contains the specified levels of either *Theileria equi* or *Babesia caballi*.
- 5.2.3 A list showing the specified levels for *Theileria equi* and *Babesia caballi* is available upon request made to Goffs UK and Purchasers and Vendors are advised to check the current specified levels before purchasing or entering a Lot for sale.
- 5.2.4 A blood sample will be taken from the Lot where the Purchaser instructs Goffs UK to do so immediately after purchase of the Lot by signing to this effect on the Acknowledgement of Purchase Form supplied by Goffs UK for the purpose of this Condition and to have the sample tested for the presence of Piroplasmosis. The Purchaser shall be responsible to Goffs UK for the costs and expenses of taking and testing the sample unless the said sample is found to be positive in accordance with Condition 5.3.2 in which event the Vendor shall be responsible for such costs and expenses. (For the avoidance of doubt, any sample not found to be negative shall be deemed to be positive). Failure to request a test for Piroplasmosis under this Condition will be an absolute bar to the Purchaser returning the Lot under this Condition.
- 5.2.5 When an instruction under Condition 5.3.4 is received the Vendor shall immediately deliver the Lot to a designated holding area in accordance with Goffs UK instructions, where a member of The Panel will take a sample from the said Lot. If the Vendor fails to comply with these instructions the Sale may be cancelled at the discretion of the Purchaser.
- 5.2.6 If after one hour from the delivery of the Lot to the designated holding area a sample has not been taken from the said Lot (notwithstanding that The Panel have used such reasonable endeavours as are commensurate with the circumstances) the Sale may be cancelled at the Purchaser's discretion.
- 5.2.7 Goffs UK shall exercise its absolute discretion in making a decision under Condition 5.3. Goffs UK decision shall be final and binding on both Vendor and Purchaser and Goffs UK shall not be responsible for any loss or expense incurred by any party arising out of its decision.
- 5.2.8 The Purchaser expressly acknowledges that, although there are other methods of testing for Piroplasmosis, a Lot is only returnable to the Vendor if it is decided by Goffs UK that the sample taken from a Lot and tested using the Prescribed Test contains the specified levels of either *Theileria equi* or *Babesia caballi*. The Purchaser further acknowledges that the presence of either *Theileria equi* or *Babesia caballi* in the sample at levels below the specified levels is not a ground for return of a Lot to the Vendor, in which instance the Purchaser shall be bound to keep and pay the full amount of the purchase price for the Lot.
- 5.2.9 Where a Purchaser instructs Goffs UK to take and test a blood sample the said Lot shall not be removed from the United Kingdom or Ireland and if they do so, the Purchaser shall be liable for the costs of returning the Lot back to the Vendor in the event of a Purchaser electing to return the Lot in accordance with a right to do so under this Condition.

- 5.2.10 Where a sample is found to be positive the Purchaser may elect to return the Lot to the Vendor providing such election is made to Goffs UK by 5pm on the seventh calendar day after the Purchaser was notified by Goffs UK of the result.
- 5.2.11 Where a Purchaser elects to return a Lot in accordance with this Condition Goffs UK shall notify both parties that the Contract of Sale is cancelled and the Lot will be at the Vendor's risk from such time that he is notified. The Vendor must arrange for the Lot to be collected, and pay for any such transport, and any other reasonable costs incurred by the Purchaser in connection with this Lot subject to Condition 5.3.9.

5.3 FURTHER SAMPLING

- 5.3.1 Nobody may remove a sample of hair, blood or any other testable material from any Lot while on Goffs UK Premises, without specific permission from the Vendor. No sample of hair, blood, urine or other testable material from any Lot, other than those described in Condition 5 shall be used as reason for the return of any Lot.

6 ENGAGEMENTS

- 6.1 A Lot is sold with engagements as given in the Catalogue, or announced at the time of Sale. Goffs UK however, accept no responsibility for engagements

given or omitted. It will be the sole responsibility of the Vendor to ensure that the relevant documentation is completed and lodged with the Authority in question, but of the Purchaser to cancel any race entry if a forfeit applies. A Declaration of Forfeit for UK engagements must be made to Weatherbys and for Irish engagements to Horse Racing Ireland.

- 6.2 In particular Goffs UK do not warrant that a Lot is eligible for participation in the Plus 10 or any other breeders' scheme whether European or American notwithstanding that a statement to that effect or so implying may have been included in the Catalogue or made from the Rostrum.

7 PRIVATE SALES AND TRANSFERS

- 7.1 Any sale concluded on the day of the Sale or within seven calendar days between a Purchaser and a Vendor after the Lot has been unsold or bought in by the Vendor at the Sale shall be subject to the Goffs UK Conditions of Sale. Such transactions must be finalised in writing on a Private Sale Form signed by the Vendor, the Purchaser and an authorised representative of Goffs UK. For the avoidance of doubt, this includes any Sale conducted online. The terms of Condition 9 below will apply to the Purchaser.
- 7.2 Where Goffs UK accepts the transfer of a Lot from the

Purchaser to a third party (the New Purchaser), the appropriate Private Sale Form must be completed in the Sales Office. The terms of Condition 9 below will apply to the New Purchaser.

8 PASSING OF RISK AND TITLE

- 8.1 The Lot will be at the Vendor's risk at all times until the fall of hammer (or time of sale if sold privately) when the risk shall pass to the Purchaser subject to 8.2 and 8.3 below.
- 8.2 Any Lot Sold Subject to Re-examination under the terms of 4.1 above shall be at the Vendor's risk for 60 minutes from the fall of the hammer or, if Re-examination is requested, until the completion of the Re-examination. Risk remains with the Vendor if the Lot fails the examination and passes to the Purchaser if/when the Lot passes.
- 8.3 Any Lot tested for Prohibited Substances and Piroplasmiasis under the terms of Condition 5 above shall remain at the Vendor's risk from the fall of the hammer until the sample has been taken from the Lot when risk passes to the Purchaser. If the sample proves to be positive for Prohibited Substances or Piroplasmiasis, risk will pass back to the Vendor when the Vendor is notified.
- 8.4 Notwithstanding the passing of risk in this Condition or delivery of the Lot to the Purchaser, the Vendor shall retain title to the Lot

until the full purchase price has been paid to Goffs UK.

- 8.5 Where Goffs UK have paid out the Vendor in accordance with 3.8 above, title of the Lot will vest in Goffs UK on the same terms as 8.4 above.

9 PURCHASERS

- 9.1 All purchases are subject to 6% buyers' commission as outlined in Condition 2.1.3.
- 9.2 Goffs UK strongly recommend that Purchasers should attend the Sale in person and Purchasers are strongly advised to inspect each Lot prior to purchase. It is the responsibility of the Purchaser to ensure that he is satisfied with the condition of any Lot before bidding. Prospective Purchasers may use a veterinary surgeon of their own choice to check or inspect the condition of any Lot prior to sale provided the consent of the Vendor is obtained in advance, that the Vendor expressly consents to the form of inspection to take place and it is understood by prospective Purchasers that such consent is entirely at the Vendor's own discretion.
- 9.3 All Lots are sold subject to these Goffs UK Conditions of Sale and are subject to any announcements that may be made by the auctioneer. A Vendor may call upon Goffs UK to amend the Catalogue description at the Sale and it is the Purchaser's responsibility to ensure he hears

- any such announcement made by the auctioneer as a consequence. The information on the Goffs UK notice board, website and announcement boards in the Sales ring is for guidance only and Goffs UK are not liable for any error or omission from such information.
- 9.4 All certificates referred to in the Catalogue will be available for inspection in the Sales Office prior to the Sale.
- 9.5 Immediately after the purchase of each Lot, the Purchaser must sign the Acknowledgement of Purchase Form confirming the sales details together with his name, address and other information as required by Goffs UK.
- 9.6 Subject to 9.9 below, payment must be made in pounds sterling by the Purchaser for each Lot on the day of the Sale and the Lot must be removed by the Purchaser by the close of each day's sale. Prior to the Sale Goffs UK may agree to other payment terms at their discretion and may allow the Purchaser to remove the Lot before full payment has been received. In the event that payment is not received under the agreed terms, Goffs UK will endeavour to collect the debt by whatever means are deemed appropriate.
- 9.7 No Lot will be raced until it has been paid for in full.
- 9.8 Where a Purchaser bids or buys on behalf of another, the Purchaser must disclose the name and address of his principal when required by Goffs UK and both the Purchaser and his principal shall be jointly and severally liable under these Conditions.
- 9.9 Where the Purchaser notifies Goffs UK that a Lot has been bought on behalf of another after the Sale and asks Goffs UK to invoice that person (the "Nominee"), Goffs UK (at its absolute discretion) may agree to do so on the basis that the Purchaser and the Nominee will be jointly and severally liable to pay the Purchase Price. The Purchaser's payment obligations in respect of the relevant Lot will only be discharged in the event that the Nominee has paid the whole of the Purchase Price. However, where the Nominee pays part of the sum due but the remainder is unpaid, Goffs UK claim shall be limited to the unpaid sum.
- 9.10 Where a Vendor and a Purchaser agree to terms not covered by the Conditions of Sale, a copy of that agreement must be lodged in writing in the Sales Office before the Sale, and approved by Goffs UK. If no such copy of the agreement is lodged, and any dispute arises as a result of this agreement between the Vendor and the Purchaser, Goffs UK will demand that the Purchase Price is paid in full in accordance with Condition 9.6 unless the Vendor has notified Goffs UK in writing that the sale has been cancelled, in which case Condition 2.1.4 shall apply.
- 9.11 It is the sole responsibility of the Purchaser to ascertain whether the Lot is eligible for point to pointing within the meaning of the rules laid down by the BHA.
- 10 GOFFS UK's RIGHTS**
- 10.1 Goffs UK reserve the right to exclude or remove any person or animal from their premises without giving any reason.

- 10.7 If for any reason a Lot is purchased and not paid for as hereinbefore provided (notwithstanding if the risk has passed to the Purchaser) then the following provisions shall take effect until payment is received:
- Goffs UK shall be entitled to retain the Lot, and shall have a lien over the Lot and all documents relating to it for all expenses, including freight, incurred by them or any agent of Goffs UK during such period of retention. Such lien may be exercised in respect of any other sum due by the Purchaser to Goffs UK. Goffs UK shall also be entitled to exercise the said lien over any documents in their possession relating to any other Lot or Lots

- owned by the Purchaser. A Lot shall not be delivered to the Purchaser until the expenses referred to above have been paid, in addition to the Purchase Price.
- (b) In the event of a Lot having been removed from Goffs UK' premises then Goffs UK shall be entitled to repossess the Lot from anyone in possession of it.

- 10.8 Goffs UK will not release any Lot from the Sales Complex until a written release form in the form of a pass-out has been issued by Goffs UK.
- 10.9 Goffs UK may at any time, without notice, set off any liability of a Debtor (including but not limited to the outstanding purchase price of any Lot) against any liability of any Associated Company to the Debtor (whether any such liability is present or future, actual or contingent, liquidated or unliquidated and irrespective of the currency of its denomination)

and Goffs UK may for such purpose convert or exchange any currency.

- 10.10 Any exercise by Goffs UK of its rights under Condition 10.9 shall be without prejudice to any other rights or remedies available to Goffs UK under these Conditions or otherwise.
- 10.11 Goffs UK reserve the right to move a horse from its stable if it has not been removed within the specified time stated in the catalogue. Goffs UK may be required to move a horse by transport to the Racecourse Stables and will not be held liable for any loss or injury to a horse whilst being moved.

The Bloodstock Industry Code of Practice *(Appendix 2)*

Introduction

The Code of Practice sets out the principles which apply to all sales of bloodstock and sales of stallion shares and nominations, be they private sales or sales at public auction. The intention is to ensure that sales of bloodstock in Britain not only comply with the law, but operate to the highest standards of integrity and transparency, and safeguard the interests of vendors, consignors, bloodstock agents, owners, trainers and the sales companies.

Definitions

- “Agent” means any trainer, consignor, bloodstock agent, racing or stud manager or other person or entity who represents a Principal in the sale or purchase of bloodstock, stallion shares and nominations, whether the Agent is paid by way of retainer, commission or other forms of remuneration, or has ongoing financial arrangements (for example the payment of management or training fees), or not.
- “Principal” means a person or entity who appoints an Agent to act as agent on his behalf in the sale or purchase of bloodstock, stallion shares and nominations as in the definition above.
- For clarification, words importing the masculine gender shall include the feminine.

any payment or benefit in kind received by an Agent that is not disclosed to his Principal.

3. When an Agent acts as a vendor or part-vendor and sells or intends to sell any horse in which he has an interest to a Principal, or intended Principal, the Agent must disclose to his Principal, before completion, the full extent of that ownership or interest and the benefit to be derived from that transaction.
4. If an Agent acts for more than one Principal in a transaction (which might be both the vendor and purchaser), the Agent can only do so if he has first disclosed this fact, before completion, to all his Principals, and obtained their consent.
5. An Agent must notify his Principal, wherever possible in advance, when a conflict of interest could arise, such as transactions involving third parties with whom he has a retainer, transactions where he is aware he will benefit from a third party, or transactions concerning horses which he has previously purchased or been involved with.
6. An Agent shall disclose to his Principal and, if required, account to his Principal for any Luck Money paid to him by or on behalf of a vendor.

Code

1. An Agent owes a duty to his Principal to act at all times in accordance with his Principal's best interests.
2. An Agent shall not place himself in a position where personal interests conflict with the duty to his Principal. In particular, an Agent shall not use his position to benefit from a secret payment or secret profit, which means

“Luck Money” means any financial payment or payment in kind made by or on behalf of a vendor to a Purchaser or his Agent, after the sale of a horse has been concluded. The practice of giving and receiving Luck Money shall be entirely voluntary, transparent and should be disclosed to all appropriate parties by the recipient. A vendor has no obligation whatsoever to pay Luck Money and the non-payment of such should not prejudice any further business activity.

7. If an Agent receives an offer to purchase a horse he must relay that offer in its entirety to his Principal and respond in accordance with the Principal's instructions.
8. A vendor must not offer any secret payment or secret profit to any person whom he believes to be an Agent acting for a prospective purchaser.

The commencement of a mediation will not prevent the parties commencing court proceedings.

This Code of Practice has been drawn up & published by the following organisations:

ICSC Criteria for Pedigree Compilation (*Appendix 3*)

The following criteria have been agreed in principle by those Sales Companies represented on the European Sub-Committee of the International Cataloguing Standards Committee.

1. Pedigrees may not extend beyond the fifth dam. Only black-type performers and their links may be mentioned under the fifth dam.
2. Certain relationships to the subject animal are designated ‘key positions’. Key positions comprise:
 - the subject animal him/herself
 - the first dam of the subject animal and any of her descendants
5. ‘Excellence narrative’ must be restricted to the top horse in any qualifying category. Thus, while a Sales Company may elect to use any one of the following terms – ‘Champion’, ‘Top-rated’ or ‘High-weighted’ – such terms as ‘2nd Top-rated’ may not be used. Further, excellence narrative may only be applied to horses which have been officially rated top within the following categories or combination of categories:
 - Continent
 - Country
 - Sex
 - Age
 - Distance range

Only in the case of animals in key positions may the race names of non-black type races be carried.

Only in the case of animals in key positions may a 4th placing in a Group/Graded race be mentioned (NB Such a placing will not confer black type, except as set out on page vi of the ICSC Booklet 2006).

3. Jump Races appearing in Part IV of the ICSC Booklet may confer black type, but only if the type is italicised to differentiate it clearly from the black type given to flat race performances.
4. No reference to relationships may be made other than in the case of the Full (i.e. ‘own’) brother or sister. (That is to say, references such as ‘three-parts sister to’ and ‘bred on the same lines as’ are disallowed). Except in the case of the subject animal, the horse to whom the animal in question is related must be a black-type horse.
6. Performances outside the home country of the catalogue in question will be indicated as such, either by citing the country(ies) by name or by use of the word ‘abroad’.
